

FAMILY SCAVENGER HUNT

Please take time to talk to your family and find out where you came from. Fill out as much information as you possibly can!

The Culture of My Family

Take time to fill out the details of your families culture. Write down, draw or add pictures below in the following categories. You will use this information on the next page to plan out a circle that represents your family's culture.

Food	Clothing
Ceremony/Celebration	Games
Holiday	Other

VIKING ROOTS

Using the circle below, you are going to draw, write or use pictures to represent your family's culture. We will create the circle together in the makerspace in December and hang it in the hallway to show our school culture.
