

## Jigsaw Introduction Activity

**Step 1:** Examine the picture on the front of your group's envelope. Write down observations and ideas. Your group has 5 minutes to look at the picture, discuss and fill out the chart.

Observations	Connections	Wonder
<p>-What do you see?</p> <p>-What do you think is going on?</p> <p>-What specific details stand out to you?</p>	<p>- What does this remind you of?</p> <p>-What time period in history do you think this is?</p> <p>-How does this connect to what you already know?</p> <p>-What prior knowledge do you have on this topic?</p>	<p>-What questions do you have?</p> <p>-I wonder...?</p> <p>-I predict...?</p> <p>-Form a hypothesis (I hypothesize...)</p>

**Step 2:** Open your envelope to learn about the major event in history this picture represents. Take about 10 minutes to read the article out loud as a group, talk to your group and fill out the chart with as much detail as possible.
